The meeting commenced with Dr. C.N.Rawal, Principal, BMCC formally welcoming the members followed by a presentation by Dr. Varsha Deshpande, IQAC Coordinator. The highlights of the presentation included the reading of the minutes of the previous meetings of the IQAC, a review of the academic year 2018-19, Best Practices of the year 2018-19 and the roadmap to future plans.

The following was discussed/suggested by the members:

- 1) Dr Ashok Joshi ,Director ,Indsearch,suggested that the proposed MOU with Alliant University, California be initiated at the earliest as foreign collaborations are the need of the day. Of the two proposals given by the University: **1)** Twinning programme which includes completing first two years of undergraduate course in BMCC and the third year in Alliant University and **2)** MBA Course in Alliant University after completing graduation in BMCC, it was suggested that the second option be selected initially because twinning programme requires permission from the UGC.

- 2) Dr Rawal highlighted the proposed MOUs with Arizona State University & Victoria University (Australia). He also informed the members regarding various initiatives of the college namely, 'BMCC Karandak', membership to Credit co-operative society for the staff and the proposal for construction of 55000 Sq. feet building for management courses.
- 3) Prof.A.G.Gosavi drew the attention of the members towards the New Education Policy that emphasizes on formation of multi-disciplinary colleges rather than single faculty colleges/universities. He further clarified that foreign institutions prefer such college as compared to single faculty institutions and thus steps to be taken in this regard.
- 4) Dr Rawal discussed the details of the International Conference to be held from 14th to 16th November, 2019. He mentioned that the unique feature of this conference shall be the one-day workshop to be conducted for the proposed researchers/authors on 'Guidelines to write a Research Paper'
- 5) Dr Joshi suggested that a course on 'Preventive Health' be introduced as a credit course considering the numerous opportunities in this upcoming field.
- 6) ShriMahesh Athavale and Dr Joshi both discussed the importance of interface with the Industry for the benefit of the students.

The Meeting concluded over a vote of thanks to the Chair.
