Hello,

Good Afternoon.

Seva Sahayog Foundation, is a volunteer led organization working in the areas of community development since the last 14 years. We aim to engage socially conscious corporate, groups, individuals & like-minded NGOs with a purpose to collectively add value to society at large. Seva Sahayog runs various initiatives like School Kit Distribution, Samutkarsha - Community Learning Centers, Kishori Vikas Prakalp, Women Empowerment, Urmi – Sanitary Napkin related Project, Smart Community etc.

As we discussed, we will require the interns who are willing to work in the marketing field and activities of the Mega Seva Fair program of Seva Sahayog.

### Required Qualities for the post:

1. Intern should have good command on Marathi and Hindi Language. If he/she is good at english then he/she will get preference
2. He/She should have a presentable personality.
3. He/She should be punctual and should be ready to accept the given responsibility.
4. He/She should be able to join the next day immediately after passing the interview.

Our internship is purely based on experience learning. We will not provide any kind of remuneration to the applying person.

But we can grant a particular amount for their transportation. We can also give them the proper Certificate of their internship.

### For more details please contact on following numbers:
