

Uniqueness of BMCC

BMCC has always sought a holistic development of its students. This was the dream of our founders to give affordable education and prepare a student to face the material world with robust confidence.

The college has a sprawling 13 acres of land with a rich biodiversity. Age old environment useful trees have been protected, despite infrastructure development.

Though a single faculty college, students have been able to seek a holistic development for themselves by learning in classrooms and participating in co and extracurricular activities which have gained popularity with every incoming new batch.

The college has maintained a tradition where in students from all backgrounds are taking education. Students come from almost all SAARC Nations with an interest to study in BMCC, they either go back to their own land and secure jobs or go for higher education in global universities, they value education gained at BMCC.

College has a very rich library of 102607 books along with 142 e-books available. The library dept hosts library exhibition each year wherein books are provided at subsidised rates to students.

BMCC students have excelled not only in careers of commerce but also in varied fields like art, media, sports etc

Students making development in sports, media are helped, by accommodating them for their class tests, submissions etc. The college boasts of winning accolades in many notable competitions Purshottam Karandak, Firodiya Karandak, Inter College Sports and academic competitions.

Since autonomy in 2017 BMCC has made maximum use of the autonomous practices which, the college could use for the development of the students. Along with development of excellent curriculum to match the present-day needs, the college has come up with a unique practice of introduction of skill development courses some, of which are paid and some non-paid in nature. By introduction of skill courses like Mandala, Heritage collective, Content writing, Meditation, Nature Club, Moot Court, Languages, Tableau, Tourism, Film Appreciation , Digital marketing, EXCEL etc we have also taken to the multidisciplinary path.

Wholehearted Participation of students in NCC / NSS kind of activities is very encouraging. Thus, creating responsible citizens for a better tomorrow.

Students select courses as per their choice and earn credits on completing them successfully. These credits are mandatory part of the degree.

BVoc a full-time degree programme started in 2022-23 has also been added to the multidisciplinary list of courses. New degree Programs BCom FinTech (only BMCC has it in Maharashtra) and, BCom Honours introduced in 2022-23 to enhance Commerce education.

Yeshwantrao Chavan Maharashtra Open University, Nashik (MBA) and SPPU affiliated School of Open Learning (BCom, MCom) is a part of our campus.

D G Karve chair has in house research funding for research projects of students and faculties. This helps to develop research inclination in students as well as faculties. A separate placement cell to assist students in their career path is established.

College has Digital Boards (Interactive Panels) placed in every classroom to facilitate advanced teaching. A language lab in a commerce college is a unique feature. It helps to encourage the learning of different languages in the students. Laptops are given to faculties, office administration staff for work purpose.

College has had students scaling great heights and achieving the topmost position not only in education but extracurricular activities too. BMCC has a glittering alumnus ranging from famous personalities belonging to commerce, management, education, politics, sports, media etc...

Shri Ram Naik, Shri Sharad Pawar (noted politicians)

Dr Cyrus Poonawala, Shri Ravi Pandit, Smt Sulajja Firodiya, (Noted Businesspeople)

Shri Manohar Joshi, Shri Sudhir Gadgil, Shri Amey Wagh, Shri Siddharth Menon, Ms Sawani Shende, Shri Nipun Dharmadhikari, Shri Rahul Deshpande. (Noted Media and performing arts personalities)

Ms Ankita Raina, Siddhant Kamble, Richa Chordia, Tanishka Deshpande (Noted International Sports players)

Alumni of the recent years too are gaining name and fame, some have reached notable institutions for their further studies IIM Ahemdabad, Banglore etc and Overseas Institutions of high academic value.

The college has produced many CA's and CS in the past 75 years.

College has a strong connect with its Alumni. They too even after years of graduating from this college are ever ready to give back by way of their knowledge, experience, or sizeable donations contributing to the development of their dear Institute. (Shri Lohia, Prof S S Murudeshwar ,Shri Dilip Oak, Dr Vikram Mehta)

The past student's association has been awarding The Pride of BMCC Award since many years to many stalwarts of the college.

Many present-day faculties are alumni of the college.

It helps in instilling the core values that the college advocates in the new curious minds of existing students.

Some unique practices by way of activities are followed in the college. Students are encouraged to share a certain amount of their profits earned during the marketing fest activity to needy people around. Many NGO's have been given this share wholeheartedly by the students. They also lend helping hand to the tribals to sell their articles during the popular fests of the college.

Joining hands with NGO for activities and events is a quite common feature here. Students seek out different NGO's working for orphans, and physically or mentally special children. These underprivileged children are invited to the campus during the popular events of the college. The invitees are treated with lots of fun and fervour and spend an incredibly happy time here on campus.

The college boasts of a nurturing environment (OCTAPACE culture). Yearly Family Get-together for the whole staff is also a unique feature.

Some non-teaching staff too have taken higher qualifications to upgrade themselves.

Such is the uniqueness of this age old but bright institution where culture and values are at the foremost. They are instilled in the students by various mediums of indoor teaching and outdoor activities. Reaching 80 years of age, BMCC is still very young and full of vibrant energy of our faculty, staff and successful students and alumni, who are the glory of this college.
